

WE ENCOURAGE ALL TO CONSIDER A  
**10 TO 20 PERCENT INITIAL PAYMENT**  
 TO BEGIN YOUR PLEDGE COMMITMENT

**Cash**

Gifts of cash are the most common and will allow the parish to address its immediate needs. Donating cash is as simple as writing a check, paying from your smartphone or computer, authorizing a charge on your debit or credit card (Visa, MasterCard, Discover, etc.), or automatic checking/savings withdrawals through e-giving or your bank’s bill pay service.

**Matching Gift Program**

Check with your employer about Matching Gift Programs. Some companies will match donations made by their employees to qualified non-profits. Although your employer’s gift has no tax consequences to you, it will be counted towards your pledge.

**Charitable Gifts of Securities\***

Stocks, bonds, or mutual funds that have been held for at least one year and have appreciated in value offer special tax advantages. You can receive a tax deduction for the full market value of the gift, but not have to pay capital gains tax on the appreciated amount.

**IRA Charitable Rollover\***

For our parishioners who are 70½ or older, up to \$100,000 of your yearly required minimum distribution can be transferred from your IRA directly to Emmaus without having to include the amount transferred as taxable income, while having it count toward your required minimum distribution.

\*Consult with your personal financial or legal advisors to determine what would best benefit you and your philanthropic goals.
